

CHECKMARC

Check & ACH Recovery

Check 21 legislation passed in 2001 allows us to electronically pursue recovery of bad check and ACH transactions. Every dishonored item receives the same level of outstanding recovery effort.

Benefits of our Checkmarc Check & ACH Recovery Service for commercial clients

- ✓ Clients receive 100% of the face value of the bad checks we electronically recover.
- ✓ Clients avoid uncomfortable/embarrassing customer service problems.
- ✓ No equipment to purchase. No contracts, enrollment or per check fees
- ✓ Clients have access to our secure website allowing 24/7/365 viewing of checks.
- ✓ Clients receive notification and collection reports via email.

Electronic Check & ACH Recovery. Electronic Check & ACH Recovery allows you the freedom to accept checks with confidence! We follow National Automated Clearinghouse Association rules and regulations.

Traditional Recovery. If electronic recovery of a dishonored item isn't successful, the item immediately transfers to our traditional recovery service. We skip trace the bad check writer, report them to bad check databases, send a registered letter, make phone calls and, if necessary, pursue legal remedies. We are always mindful of your customer relationships and work in ways that don't offend or alienate your customers.
